WASHINGTON DC 20370-5100

TRG
Docket No: 66-02
21 February 2002

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF [REDACTED]

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) Case Summary
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Naval Reserve filed an application with this Board requesting that his record be corrected to show that he transferred to the Retired Reserve vice being discharged on 10 August 1988.

2. The Board, consisting of Mr. Milner, Mr. Cooper and Ms. Nofziger, reviewed Petitioner's allegations of error and injustice on 20 February 2002 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although it appears that Petitioner's application was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner reenlisted in the Naval Reserve on 11 August 1986 for two years in the rate of GMG2 (E-5). On 10 August 1987 at the end of his anniversary year, he had completed 26 years and 6 months of qualifying service for reserve retirement. He was honorably discharged on 10 August 1988. He became 60 years old on 24 November 1988 and is now drawing his retired pay as a former member.

d. The Board did not request an advisory opinion in this case. However, the Board is aware that the Navy Personnel

Command has routinely recommended corrective action in similar cases when an individual is qualified for reserve retirement and there is no explanation in the record why he was discharged and not retired.

e. The Board is aware that the Uniform Retirement Date Act, 5 U.S.C. 8301, requires that the effective date of any retirement be the first day of the month.

CONCLUSION:

Upon review and consideration of all the evidence of record the Board concludes that Petitioner's request warrants favorable action. The Board notes that Petitioner was in good standing in the Naval Reserve and would have been retired if he had requested such action. Therefore, the Board concludes that he should be transferred to the Retired Reserve in the grade of GMG2. Given the requirements of the Uniform Retirement Date Act, the retirement should be effective on 1 August 1988 vice the discharge of 10 August 1988 now of record. Since he is over 60 years old, the record should be further corrected to show that he transferred to the Retired List on 24 November 1988, his 60th birthday.

The Board further concludes that this Report of Proceedings should be filed in Petitioner's naval record so that all future reviewers will understand his status in the Retired Reserve.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he transferred to the Retired Reserve on 1 August 1988 in the grade of GMG2, vice the discharge on 10 August 1988 now of record. The record should be further corrected to show that he transferred to the Retired List on 24 November 1988, his 60th birthday.

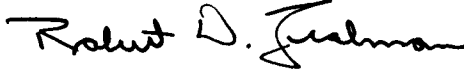

b. That this Report of Proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
